Happy Mother's Day!

The scripture is full of examples of mothers both being blessed and being a blessing. On this Mother's Day let's remember that the prophet Isaiah describes God's love for us as being like a mother's gentle love for her child (Isaiah 66:13) and that St. Paul says that in his ministry he has been a loving as a mother caring for her children (1 Thess. 2:7).
May we recognize God's love in the love of mothers!
